GOVERNMENT MARKETING

Short Open Enrollment Window Available for SeaPort-e

Why Become SeaPort Certified?

Through this web-based, e-business procurement portal, NAVSEA achieves its strategic sourcing goals for performance-based service acquisition, leveraging more than \$500 million in buying power. Some Highlights...

- Rolling admissions—Opening October 2012 for 60 days!
- 5yr IDIQ Contract with two renewable 5yr cycles
- Cost & Fixed Price task orders permitted
- No time & materials orders
- No Undefined orders
- 68% of the budget annually goes to SMALL BUSINESSES(\$27.0 million size standard).
- 7 Zone system to promote & preserve local vendor base
- NO CONNECTION WITH GSA

As a contractor you can propose under 22 Disciplines without restriction. Each vendor is awarded a Multiple Award Contract (MAC) with no award of funding. Funded awards come with each Task Order. Task orders are awarded in the same way contracts are, a fully developed technical, cost, & past performance proposal is required for each order, as though it was a contract. Awards under SeaPort-e are competitive, no sole source award provisions. Small Business set asides restricting competition in selected socio-economic categories are permitted.

SeaPort-e utilizes one NAICS code – Engineering Services – 541330

Under this NAICS code, Port Hueneme Division, Corona Division & Naval Surface Warfare Center (NSWC) contracts for services in 22 functional areas. To compete you must declare this NAICS code. To qualify as a small business you must meet the \$27.0 million or less size standard, then qualify under ONE or All of the following areas listed below. Meet all conditions & you can be on SeaPort!
